On 24 December 2015, the Company entered into the Framework Agreement with Hang Chi, Ms. Lo and Mr. Shiu in relation to (i) the proposed investment by the Group in Hang Chi, the holding company of the Wah Fung Group which is principally engaged in the knit fabric business in Hong Kong and the PRC by way of Subscription of such number of new shares in Hang Chi representing 49% (subject to adjustment) of the enlarged issued share capital of Hang Chi; and (ii) the proposed cooperation among the parties in respect of the Group's establishment of new knit fabric factories in Vietnam.

As all of the relevant percentage ratios (as defined under Rule 14.07 of the Listing Rules) in respect of the Transactions, on an aggregated basis, exceed 5% but are less than 25%, the Framework Agreement constitutes a discloseable transaction of the Company which is subject to the announcement requirements under Chapter 14 of the Listing Rules.

## **INTRODUCTION**

On 24 December 2015, the Company entered into the Framework Agreement with Hang Chi, Ms. Lo and Mr. Shiu in relation to the Transactions.

## **PRINCIPAL TERMS OF THE FRAMEWORK AGREEMENT**

Summarised below are the principal terms of the Framework Agreement.

### **Date**

24 December 2015

## **Parties**

- (i) the Company;
- (ii) Hang Chi; and
- (iii) Ms. Lo and Mr. Shiu.

To the best knowledge, information and belief of the Directors having made all reasonable enquiry, Hang Chi and/or its ultimate beneficial owner, Ms. Lo and Mr. Shiu are third parties independent of the Company and its connected persons.

## **Investment and further cooperation in the Wah Fung Group**

Pursuant to the Framework Agreement, the Company shall, by itself or through its subsidiary, invest in the Wah Fung Group by way of Subscription in cash of the Subscription Shares, being such number of new shares in the share capital of Hang Chi representing 49% (subject to adjustment) of the total issued share capital of Hang Chi as enlarged by the Subscription at the maximum Subscription Price of HK\$40,000,000. Hang Chi is a company incorporated in Hong Kong and, based on information provided by Hang Chi and to the best knowledge, information and belief of the Directors having made all reasonable enquiry, Hang Chi is the holding company of the Wah Fung Group which is principally engaged in the knit fabric business in Hong Kong and the PRC.

The aggregate subscription price (the “**Subscription Price**”) for the Subscription Shares shall be determined by reference to the consolidated net asset value of the Wah Fung Group as at 31 December 2015 as stated in the consolidated financial statements of the Wah Fung Group to be audited by an international firm of accountants as agreed among the parties and after certain adjustments in relation to certain assets and liabilities of the Wah Fung Group (the “**Pre-Closing Adjustments**”), subject to the maximum Subscription Price of HK\$40,000,000 and shall be determined by the following formula:

$$\text{ISP} = (\text{ANAV}/51\%) - \text{ANAV}$$

Whereas:

ISP means the Subscription Price, subject to the maximum of HK\$40,000,000;

ANAV means the adjusted consolidated net asset value of the Wah Fung Group as at 31 December 2015.

The Group shall, within five Business Days after signing of the Framework Agreement, pay to Hang Chi a deposit for the sum of HK\$20,000,000 which shall be applied towards part or full payment of the Subscription Price upon Completion. If the Subscription Price exceeds HK\$20,000,000, the Group shall pay the balance to Hang Chi on Completion. If the Subscription Price is lower than HK\$20,000,000, Hang Chi shall return the balance of the deposit to the Group within three days upon determination of the Subscription Price. If the Group, Hang Chi, Ms. Lo and Mr. Shiu fail to enter into the Formal Agreement within six months after signing of the Framework Agreement or a date as mutually agreed by all

parties, whichever is later, Hang Chi shall unconditionally return the entire deposit of HK\$20,000,000 to the Group within five business days upon receipt of written notice by the Group.

In addition, if Completion takes place on or before 30 September 2016 and the accounts receivables and other receivables, inventories and other assets of the Wah Fung Group as at 31 December 2015 (as adjusted by the Pre-Closing Adjustments) are not fully recovered, not used or (as the case may be) not realised at their respective book values in full as at 30 September 2016, the respective book values of these unrecovered, unused or unrealised assets as at 31 December 2015, and thus the Subscription Price, shall deem to have been downward adjusted (the “**Post-Closing Adjustments**”), and Ms. Lo and Mr. Shiu shall compensate the Group in full by paying the Group a sum equivalent to the Post-Closing Adjustments before 31 December 2018, provided that, should there be any shortfall (the “**Shortfall**”) in payment of such compensation, the Group shall have the right to request Ms. Lo, Mr. Shiu and Hang Chi to take either of the following remedial actions by written request:

- (i) Hang Chi shall, and Ms. Lo and Mr. Shiu shall procure Hang Chi to, allot and issue such number of shares in Hang Chi, credited as fully paid, to the Group and/or person(s) nominated by the Group for the Shortfall so that the percentage of shares in Hang Chi held by the Group and/or person(s) nominated by the Group shall represent the quotient of (i) the Subscription Price as divided by (ii) the aggregate of the Subscription Price, the Monetary Compensation and the audited consolidated net asset value of the Wah Fung Group as at 31 December 2015 as adjusted by the Pre-Closing Adjustments (in any case the audited consolidated net asset value after Pre-Closing Adjustments is subject to the maximum of HK\$41,632,653) and Post-Closing Adjustments (the “**Post-Closing Formula**”); or
- (ii) Hang Chi shall, and Ms. Lo and Mr. Shiu shall procure Hang Chi to, repurchase such number of shares in Hang Chi held by Ms. Lo and Mr. Shiu so that the percentage of shares in Hang Chi held by the Group shall equal to that as determined by the Post-Closing Formula, at the nominal consideration of HK\$1;

provided that, if, by allotment and issue of new Hang Chi shares pursuant to (i) above, the enlarged issued share capital of Hang Chi will exceed 100 times of the then issued share capital of Hang Chi, then, in lieu of allotment and issue of new shares, each of Ms. Lo and Mr. Shiu shall, within five Business Days after written request by the Group, transfer all of her/his respective shares in Hang Chi to the Group at the nominal consideration of HK\$1.

Under the Framework Agreement, the parties agreed that the Group will become the major yarn supplier of the Wah Fung Group after Completion, and will grant a credit period of 90 days to the Wah Fung Group for such supplies. Ms. Lo and Mr. Shiu will charge their respective interests in the share capital of Hang Chi in favour of the Group as security for the payment obligations in respect of such supply of yarn. The Group will also use its best endeavours to assist the Wah Fung Group in, among others, the supply of yarns, product development, expansion of market, investment and financing. On the other hand, Ms. Lo and Mr. Shiu shall procure the Wah Fung Group to participate in the product design and development for the related upstream and downstream products with a view to achieve a vertical integration and to bring synergy between the Group and the Wah Fung Group.

Under the Framework Agreement, Ms. Lo and Mr. Shiu have undertaken that they will, and will procure their close associates not to, invest or participate in the operation of any textile business (other than the Wah Fung Group) after Completion.

### **Establishment of new knit fabric factories in Vietnam**

$$\text{PCSP} = [(\text{RE} \times 15\%) / \text{PCSC}] \times 100\%$$

Whereas:

**PCSP** means the percentage of Consideration Shares to the total issued share capital of the Project Company as enlarged by the Subscription, subject to the maximum of 15% and downward adjustment so that no fraction shares in the Project Company will be allotted and issued;

**RE** means the US\$ equivalent of the latest audited consolidated distributable retained earnings of the Vietnam Group as showed in the latest audited consolidated financial statements of the Vietnam Group immediately prior to the date of the Consideration Shares Allotment Date (as defined below); and

The "**Consideration Shares Allotment Date**" mean the fifth Business Day after the date of issue of the audited consolidated financial statements of the Vietnam Group for the financial year ending 31 December 2020, provided that, if the PCSP will be not less than 15% based on the audited consolidated financial statements of the Vietnam Group for any financial year

prior to the financial year ending 31 December 2020, then the “**Consideration Shares Allotment Date**” shall mean the fifth Business Day after the date of issue of the audited consolidated financial statements of the Vietnam Group for that financial year.
