

OHS Policy

This policy is applicable to all companies under Texhong, including wholly owned subsidiaries and joint ventures;

Texhong commits to:

- Complying with relevant OHS international standards and regulations, voluntary programs and/or collective agreements on OHS;
- Consultating and participate with workers and workers' representatives;
- Continuously improving the performance of OHS management system;
- Setting up prioritization and action plans;
- Establishing quantitative targets for improving OHS performance metrics;

The Board of Directors is the highest decision-making body to endorsing the OHS policy.
